yourself while you care for children with dif-
ficult behaviors."

Thursday, April 26th Guest Speaker

The **Foster Care Clothing Closet** is still alive and well but was packed up in November when the

Junkyard Gypsies closed their store in December. **THANK YOU** to all of the foster families and people that volunteered their time to help pack and move everything....

Special Thanks to: Holly and Larry Lehman and family, Maria Medrano and girls, Matt and Manda Payne and family, Kate Terrell, Teresa Disher and family, Karen Arnold, Teresa Ryan and family, and the store owners Jessica and Christi and their families.

Everything is currently organized in clear plastic buckets (ok partly organized).

It is sorted by girls and boys pants, shirts, shorts, shoes and accessories and by sizes. If you need anything **please contact Teresa at 665-5338** to make an appointment to get **FREE CLOTHING**.

There are a lot of cute items. If you know of a new donated space to move it to or would like to volunteer to help sort more clothing then please let me know.

Placements have been more limited with Foster Families this year, so we have opened up our families to help out other offices. If you want to do Foster/Adopt then I can search statewide for children for you as well. Contact Teresa with ?'s at 665-5338
